

# TERRAWISE INSIGHTS

## Grow carbon wise with Planfarm TerraWise

Does the carbon conversation feel confusing? Conflicting? Overwhelming?

TerraWise Insights has been created to change that.

Designed by Planfarm TerraWise, this practical, no-nonsense carbon information package is **built for farmers**. This service helps you navigate the carbon space on your terms. No noise. No agendas. Our goal is to make carbon information **simple, practical and accessible**. Giving you the insights you need, when you need them.

### Monthly TerraWise Insights Issues

Stay informed with clear updates on policy, market trends, on-farm opportunities and more.

### Online Sessions

A farmer-only space to ask, share, and learn; no jargon, no judgement, just clarity and confidence.

### 1-on-1 Access

1-on-1 access to the Planfarm TerraWise team to discuss your farm, goals, ideas, and any carbon questions.

### On-demand Resource Hub

Access to tailored content and tools, anytime, at your own pace.

The TerraWise Insights package is \$500/year.

**SUBSCRIBE TODAY**

### REGISTER YOUR INTEREST

Not ready for the full package? Register your interest and receive a monthly email with access to key industry updates and opportunities

# Planfarm TerraWise

At Planfarm TerraWise, we uphold the same values that have defined Planfarm for over 50 years: **trust, transparency, independence, and first-class service.**

We are here to help you navigate the developing carbon industry, whilst always ensuring that you stay in control.
